

We believe that using photos of members of all ages in our print and social media fosters a greater sense of community. Photography and video recordings from the InterGenerate (IG) gardens and events help IG to display the vibrancy and joy of our community. We use photos to enhance the quality of our print materials, newsletters, website, social media, publicity, and fundraising. We also use photos to further our efforts in education, outreach, and supporting the connection between IG and its communities. As a member of IG, you have a right to opt out of inclusion in photographs/media, but unless a “Media Images Opt-Out Release” is signed and on mailed to our P.O. Box with a reference image of the person opting out, participation in IG activities implies permission for the use of images taken at those events.

IG will never post images with identifying information such as name, email address, address, or family members’ names. No special compensation is provided to any individual included in images taken at IG events. IG does not contact individuals to notify them if or when their images is used by IG.

Individuals who have submitted a completed “Media Images Opt-Out Release” form should endeavor to alert photographers should they see someone in their vicinity taking pictures, so that they are not accidentally captured in crowd shots. This opt-out form does not apply to photos that might be taken and used by others in attendance.

Complete and return the “Media Images Opt-Out Release” form to our P.O. Box ONLY if you do NOT give permission for your photo, audio, or video to appear in possible IG publications or publicity, including printings, social media, or the website. This opt out MUST be accompanied by a current photo of the individual.
